PETITION FOR STAY
MM DOCKET 92-266-

RECEIVED

JUN 16 1993

FCC MAIL ROOM

June 14, 1993

Ms. Donna R. Searcy
Secretary
Federal Communications Commission
1919 M Street, N.W.
Washington, DC 20554

Dear Ms. Searcy:

I am an operator of two small systems. One system serves approximately 1300 subscribers in three franchise areas. The other cable system serves approximately 450 subscribers in two franchise areas.

Please delay the effective date of the Commission's rate regulations. My reasons for this are:

I have not yet received the worksheets or the instructions for calculating the benchmarks and doubt that I will be able to properly compute the calculations without the help of an attorney or accountant that I do not have and cannot afford.

I need to know the requirements for cost-of-service showings before I can decide what to do.

Unfairly, there appears to be no differentiation between low subscriber count systems serving large geographical rural areas and low subscriber count systems serving small geographical areas.

Sincerely,

William H. King
